

## CAFÉ AND SALOON STYLE DOORS

Our Cafe Style and Saloon Style door series are economical and decorative. These doors help to create a separation between Bar or Dining areas and the back of the house. They provide excellent visibility in your high speed, high traffic areas. Available in two styles and 6 colors for any theme or decor system.

**Ruff Tuff II Saloon Style Door**

**Also available in our Pro Tuff Cafe Style Door**

**Choose from Single or Double Panels  
Custom Sizes Available at no extra Charge**

Our Cafe Style and Saloon Style doors are built with the same engineering and components as our full size doors to provide lasting durability and value.

All Hardware is Included and Doors are Crated for Shipping
